

## Interface overview (Systems which are compatible with Solarfox<sup>®</sup>)

Last update: 04-2019

Manufacturer	Datalogger / Monitoring-System	Interface via Webportal / Internet / http	Interface via FTP	Interface via E-Mail-Push	Current output	Power consumption	Energy self-sufficiency/ Storage
ABB / Power One	All types	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Advanced Energy	Via Smart Blue Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
AS Solar / Enerserve	AS Portal / Enerserve Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Autarco	My autarco Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
be4energy	be4unity, be4vision	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Benning Solar	Monitoring Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Danfoss	Danfoss ComLynx Datalogger (All types)		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		
E3/DC	E3/DC Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Ecodata / PowerDog	All types	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Enerserve	e.manager	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Enphase Energy	Enphase Monitoring Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Ferroamp	Ferroamp Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Fronius International	Fronius Datalogger Web	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Ginlong	Ginlong Monitoring	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
GreenPowerMonitor	GreenPowerMonitor Platform	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Growatt	Growatt Monitoring Portal (All types)	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
GoodWe	Goodwe Monitoring Portal (All types)	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Huawei	Huawei (alle Modelle)		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		
IBC SOLAR	IBC Solar SolControl (All types)	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Inaccess	Via CSV-Import		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Ingeteam	INGECON Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
KACO new energy	Powador proLOG (All types)	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
KOSTAL Solar Electric	Kostal PIKO (All types)	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Mage Solar	Mage Securtec (All types)	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Meier-NT	ADL-MXS ADL-MXSmini (via FTP)		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		
Meteocontrol	Web'log (All types)	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
PVOutput	Monitoring Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
QOS Energy	Gantum <sup>®</sup> web platform	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
REFU Elektronik / REFUsol	Via Smart Blue Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	

relatio RT Süd	Relatio fieldLog (All types)	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
SAJ Solar	All types	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Schüco Sunalyzer	Data transfer via FTP push (see Meier-NT)		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		
Senec ( <i>On request</i> )	All types	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Skytron Energy	Skylog	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
SMA	Sunny Portal (All types)	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Smart 1	Smart 1 (All types)	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Smartblue	Smart Control Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Smart-me	Smart me Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Solar Edge	Monitoring Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Solar-Log	Solar-Log (All types)/FTP/Monitoring Portal	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Solarmax	Solarmax MaxWeb XP			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>		
Solarworld	Solarworld Suntrol Datalogger		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	
Sonnen	Via external data logger ( <i>On request</i> )		<input checked="" type="checkbox"/>		<input checked="" type="checkbox"/>		
Sunways	Data retrieval via Meteocontrol	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
SynaptiQ / 3E	Monitoring Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Tigo Energy	Monitoring Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Victron Energy	Monitoring Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Wattwatchers	Wattwatchers energy Portal				<input checked="" type="checkbox"/>		
Zeversolar	Monitoring Portal	<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		

### Other energy systems:

#### Energy Storage

E3/DC		<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Sonnen		<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
SMA Sunny Island		<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

#### Heat pump / CHP

S <sub>0</sub> Impuls / Solar-Log		<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
-----------------------------------	--	-------------------------------------	--	--	-------------------------------------	--	--

#### Wind energy

Windenergie Online		<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		
Greenbyte Breeze		<input checked="" type="checkbox"/>			<input checked="" type="checkbox"/>		

#### Individual interface

If you would like to connect a system that is not listed, please contact Solarfox: [support@solar-fox.com](mailto:support@solar-fox.com)

By default, you always have the option of a CSV import. Simple text files are imported by our system and then visualized.
